

 University Health™	POLICY#:
SUBJECT: Employee Discount	Effective: 2/17/2014
APPROVED BY: Governing Board	Page 1 of 1

Purpose:

To define the patient liability discount provided to employees for medically necessary medical services performed at University Health

Definition:

Employee – any full/part time employee, dependent of employee or retiree of University Health/ BRFHH, LCC, LSU Medical School, Conifer Health Solutions and Sodexo.

Third Party Payor – Any party other than the patient and/or family unit who is or may be legally liable for payment of incurred charges

1. All employees with third-party payor insurance coverage will receive a 50% discount off of patient liability due if employee pays within 30 days of receiving the first patient statement
2. If employee does not pay within 30 days of receiving the first patient statement, then the discount will be null and employee will be expected to pay the full patient liability due
3. Employee discount only applies to medically necessary services and does not apply to any elective and/or cosmetic services
4. If services are considered non-covered by the third-party payor, then the employee discount may not apply. Decision will be determined by Hospital Administration
5. If employee does not have third-party payor insurance coverage, employee should refer to the Uninsured Discount Policy
