

Department: Radiology	Section: CT	Effective Date: 07/2000
Procedure Number: 13.1.2		Revision: October 2013

### **CT Technologist Pager**

**Purpose:** To ensure availability of CT Technologist at all times.

**Policy:**

1. The CT scan technologist responsible for performing the CT scan procedures ordered at the institution should be readily available.
2. The technologist on duty will carry pager number 2135.
3. This pager must be passed on to the relief technologist at the end of shift.
